Stories around the campfire and colorful, energetic Indian dancers made the Lighthouse District Friends of Scouting Pacesetter Dinner a memorable success. Tom Howard emceed the evening that included Senator Ken Pruitt as the keynote speaker and the Presentation of the Colors by Troop 132. The committed work of committee members, led by Patricia Magrogan, was evident in the silent auction and entertainment of the dinner that raised funds for 24,000 District scouts. Kudos to the creators of the creative centerpieces with miniature tents in a small scale camping scenario complete with Boy Scouts and campfires. A final treat were the s'mores distributed liberally to departing guests.
